

Questions to Ask Community Leaders 4

1. What are the biggest assets in our community?
2. My church wants to help with some of the most important needs in our community. What are some of the important needs you think might be a good idea for us to focus on?
3. What could a church group do that would really be helpful in meeting the needs you have listed?
4. Who are some of the influential leaders in the community we should interview with the same questions? Do you have contact information for them? May we tell them you referred us?
5. What do you know about my church? What is your impression of its' contributions to the community in the past?
